

Maslow Popplet Assignment

1. Create 5 popplet boxes to represent the 5 levels of Maslow’s needs pyramid.
Be sure to put the levels in the correct order
2. Make each box a different colour.
3. Label each box with the **level of needs** it represents. (ex safety, esteem...)

4. Add another box the side of each level box.
5. Make the new box the same colour as the one it is connected to.
6. Find an example of an **ad or picture** online for each level.
 - a. Put the pictures in the boxes.

7. Add another box the side of each picture box.
8. Make the new box the same colour as the one it is connected to.
9. **Explain why** the ad/picture you chose **represents that level** of Maslow’s needs.

Levels	Biological & Physiological	Safety	Belonging & Love	Esteem	Self-Actualization
Ad/Picture	1 2 3	1 2 3	1 2 3	1 2 3	1 2 3
Explanation	1 2 3	1 2 3	1 2 3	1 2 3	1 2 3
