

Name: _____

Prokaryote	Eukaryote	Both

Smaller Cells	Larger Cells	More Complex
Plant & Animal Cells	Bacteria	Have DNA
Membrane Holds Cell Together	Single Celled Organisms	Simple Cells
Only Single Celled Organisms	Multi-Cellular Organisms	
No nucleus	Have a nucleus	
		

- 1) Cut out pieces along dotted lines 
- 2) Place pieces in chart under the type of cell they belong to (prokaryote, eukaryote or both)
- 3) **CHECK** your answers
- 4) Glue pieces in the correct spaces

	Prokaryote	Eukaryote	Both
