SNC2DN 2019-2020

Important Course Information & Resources

Flipped Classroom:

Students will be required to watch videos and make notes as homework for this class using **EdPuzzle**. The information in these videos is essential to complete the activities in class and allow students to spend the time they need with lesson material in the classroom. It will also increase opportunities to seek clarification in class, provide additional chances to apply their knowledge and understanding as well as having more time for individual teacher interactions and feedback.

For more information, please watch the explanatory video on the class website.

EdPuzzle class codes: PERIOD 3 **doptegn** PERIOD 5 **feahgon**

D2L:

- **Note templates**
- **Handouts & Answers**
- **Activities & Links**
- **Extra Practice**
- **Assignment Submissions**
- **Important Due Date Lists**
- **Discussions & Blogs**
- **Unit Checklists**

Online and Blended Learning Resource Site

Class Website: www.loreescience.ca

- General unit outlines & lists of activities
- Emergency links to videos, note templates & handouts
- Parental access course information & resources

Edsby:

- Used to monitor marks for individual assessments (**may not reflect overall mark**)
- Track progress including: attendance, assignment marks, overdue assignments…
- Method of electronic communication between student & teacher

PearDeck:

- Interactive lessons & review in class
- Uses school Microsoft account & login

Gizmos:

- Online simulations and interactive labs

PERIOD 3 **ZYK2YGT4K2** PERIOD 5 **PPXTNBMQWH**

Quizlet:

- Flashcards & study tools for each topic

Class sets: **bit.ly/2L33EXp**

Thatquiz.org:

- Used to complete Mastery Checks
- Must be complete in class **ONLY**: Otherwise it will be considered cheating and will result in a mark of ZERO.
- **Screenshots or sharing of questions is considered cheating**.

Password is the last 3 digits of your student number

Textbook: code _____

You will only receive a digital textbook. Print copies are available to use in class.

To access the digital textbook go to: www.mynelson.com

→Click "New User – Register Here"
→ Enter the access code provided
→ Follow instructions to set up account
→ Log in using your email address and password

Academic Standards:

It is your responsibility to provide evidence of your learning within established timelines. Due dates for assignments and the scheduling of tests will be communicated well in advance to allow you to plan your time.

If you are unable to meet a timeline you must discuss this with Ms. Loree as far in advance as possible.

OVERDUE (LATE) EVALUATIONS:

- A **late penalty of 10% per day** will be applied to late assignments.
- Once the assignment has been **evaluated and returned** to the rest of the class, it will **no longer be accepted** for grading and a mark of "zero" will be assigned.
- A **missed test** will result in a mark of "**zero**" unless a note or phone call is received from a parent/guardian or prior approval has been granted. If approved, a missed test must be written on the **"Missed Test & Make Up Assignment"** day at the teacher appointed time and date.

CHEATING AND PLAGIARISM: Students must be made aware of and held accountable for academic honesty. It is academically dishonest to take credit for any work, fact or idea that is not your own, or allow others to do so with your work. This is a form of cheating. Academic dishonesty is an offence for which serious consequences will be imposed, including receiving a grade of ZERO (0%) on the assignment in question. **Students have access to, and are encouraged to use, Turnitin via D2L to check their work and ensure it is not plagiarized**.

- **Students who cheat or plagiarize will be required to complete an Academic Dishonesty Settlement Form.** A copy of the form can be found on the class website. Once completed it will be included in the student's Edsby Portfolio.
