

Name: _____ **Organ Transplant Letter & Interview**

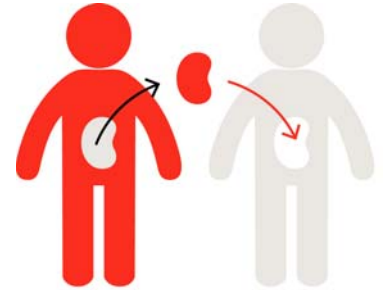

PART 1: A letter about organ donation:

1. Write a letter to an adult (parent, guardian, grandparent, friend....).
2. The letter should include:

- What you learned about organ donation (*minimum of 4 points*)

Examples of things you may want to include:

- Who can donate?
 - How many people can a donor help?
 - Why do people need transplants?
 - What organs can be transplanted?
 - Where organs come from?
 - How are organs transported?
 - Do most people survive?
 - What are common concerns people have?
-
- How you feel about organ donation – Do you want to be donor? Why or why not?
 - Suggestions about how to raise awareness about organ donation
 - Questions you still have about organ donation. (*minimum of 2 questions*)

Each section/idea will be a separate paragraph.
