

Class Website:

www.loreescience.ca

- **Lessons & Videos**
- **Activities**
- **Handouts**
- **Marks**
- **Class links**
- **Extra Practice**

Class Alias:

Each student is assigned a unique alias by which online communications can be made “anonymously”. **DO NOT** share this alias with anyone but parents/guardians.

Flipped Classroom:

Students will be required to watch lesson video and take notes during class time prior to completing activities. This will allow students to spend the time they need with lesson material, increase chances to seek clarification in class, additional opportunities to apply their knowledge and understanding in the classroom as well as more time for individual teacher interactions.

Please watch the explanatory video on the class website for more information.

Period 1/2 class code: **secvage**

Edsby:

- Used to monitor marks for individual assignment
- Can track progress including: attendance, due dates, overdue assignments...
- Method of communication between student & teacher

OneNote:

- To be used for activities assignments, labs, collaboration, projects, pictures, videos...
- Select the unit. Add a page. Label the page: **Topic #: Title of Assignment**
- **LOGOUT when finished**

Turnitin.com

- Checks for plagiarism
- All formal & summative assignments (written assignments...)

Class: 13100853

PW: loreescience

Gizmos:

Online simulations and interactive lessons.

Class Code: FTW4LPTNQP

Twitter:

Media connections to the course, interesting facts and other pieces of information pertaining to science will be posted on twitter. Posts specifically for your class will begin with #SNC2DN.

Remind:

Class reminders and important course information will be conveyed through **remind.com**. Sign in using the class code @loree2dn or follow the instructions on the class website. The app can also be downloaded.

Blog:

- Every week a Canadian Scientist will be featured in the OneNote Class Notebook.
- Pick **one** section of the chart that is empty and find the information online.
 - Include:
 - Where you found the information (Reference)

**Academic Standards:**

It is your responsibility to provide evidence of your learning within established timelines. Due dates for assignments and the scheduling of tests will be communicated well in advance to allow you to plan your time. **If you are unable to meet a timeline you must discuss with Ms. Loree the challenges you're facing as far in advance as possible.**

OVERDUE (LATE) EVALUATIONS:

- A **late penalty of 10% per day** will be applied to late assignments.
- Once the assignment has been **evaluated and returned** to the rest of the class, it will **no longer be accepted** for grading and a mark of "zero" will be assigned.
- A **missed test** will result in a mark of "**zero**" unless a note or phone call is received from a parent/guardian or prior approval has been granted. If approved, a missed test must be written in **the student's own time** at a teacher appointed, predetermined time and date.

CHEATING AND PLAGIARISM: Students must be made aware of and held accountable for academic honesty. It is academically dishonest to take credit for any work, fact or idea that is not your own, or allow others to do so with your work. This is a form of cheating. Academic dishonesty is an offence for which serious consequences will be imposed. **Students have access to, and are encouraged to use, Turnitin to check their work to ensure it is not plagiarized.**

- **Students who cheat or plagiarize will receive a grade of zero (0%) and will be subject to further disciplinary actions by school administration.**

Parent/Guardian Name (Please Print): _____

Parent/Guardian Signature: _____

Student Signature: _____
